Randall's Chapel GMC

January 2024

From Your Pastor's Heart

As I sit here and contemplate the possibilities of what 2024 will bring, I realize it is an overwhelming endeavor unless I can first prioritize my thoughts. What are my hopes and prayers for 2024, for me personally, for my wife and family, for my church family, for my community, country and the world?

I don't think of this meditative time as one might while considering their "New Year's Resolutions", but rather as a time spent seeking clarity of God's will for us in the coming year. I am not thinking of what I could do in 2024, but rather what God could do with and through me if only I would surrender to His will. I am grateful for the clarity this revelation brings to my present thoughts. The truth that God's will for us has not changed from the moment He first created us. However, it is also true that our relationship with God is negatively affected by our disobedience and rebellion toward His will for our lives.

So, as we contemplate the coming year, and what our lives might be like during it, let us first prayerfully consider who God is willing us to be? What is God calling us to do as an act of praise and worship to Him? You might be asking yourself; how will I know what God's will is for me? Your answer is unique to you. But the answer is found in a consistently proven way; by spending time talking to and listening to God, who continues to speak to us through the Spirit, through His Holy Scriptures and through others. I pray He is speaking to you through this newsletter article as well. I pray for a blessed 2024 for Randall's Chapel GMC because I believe it is His will that we grow in Spirit and Truth.

Peace be with us all.

Pastor Woody
