When It Is Beyond Our Control....

The journey started out with the sun setting in the west and the stars rising in the east, the water was pretty calm and it had been a long day. On this journey, we were now into our third hour of resting as the water was slapping against the boat, it was soothing. Then the sky lite up with the crack of lightning. The wind whipped up in a hurry and we were now all awake knowing that we were in a storm beyond our control.

As seasoned fishermen as most of us were, this was a storm that had us at our wits end. The next hours were spent wasting away

trying to stay afloat, we had lost all sense of control and were at the mercy of the storm, until. Until we experience something we have never seen before. We thought it to be a ghost, but to our surprise, it was Jesus, walking on the water in this storm. "Take courage! It is I. Don't be afraid." He said to us.

Up to this point nothing was normal anymore. We were soaked by the rains and sea. Drained by our efforts at the oars. Jesus, coming to us in this storm was close to being unbelievable. But his words, "Take courage!" reached into my soul and grabbed me.

I don't know where this came from, maybe I was so tired of the storm and ready to give up, I shouted, "Lord, if it is really you, tell me to come out to you."

"Come on." He said.

Jumping into the water | actually was walking on top of the water. | was overwhelmed with amazement, but that was short lived. The wind and the waves were grading my nerves and | panicked. "Jesus, save me!" | shouted as | quickly began to sink.

Without hesitating Jesus reached down for me and rescued me. He said to me, "You of little faith, what got to you?" Then we climbed into the boat and the storm died down.

The others after watching the whole thing, began to worship him. Saying, "You really are the God's Son."

When it is beyond our control, that is when life and it's storms, it's pandemics, it's discomforts hits us and knocks us out of our control; Jesus is in our storm and He does say to us, "Take courage! It is I. Don't be afraid."

Really? Really! Do you ever feel like your sinking?

Take courage, His hand is there for you.

Reaching for Jesus. -Pat

The Advent Season -

We celebrate the Christmas season in the church with our Advent Season, beginning Sunday, Nov. 29th.

Each of the four Sundays prior to Christmas, we light a candle representing the four gifts given to us in God's giving of His Son, Jesus Christ. Hope, Peace, Joy and Love. Then on Christmas Eve we light the Christ Candle, celebrating the birth of our Lord and Savior, Jesus Christ.

A New Change -

We as the Administrative Council of Randall's UMC in our Oct. 25; 2020 meeting, have voted to change our present Administrative Council and group Committees to become the "Leadership Team".

This has been an encouraging suggestion by our District Superintendent,

Tom Parrish, to smaller churches who are struggling to fill all the committee positions.

The "Leadership Team" will be a made up of 3 groups of three. 3 Finance persons, 3 Trustees person, 3 Nominations person, the church Lay Leader and the church's Lay Delegate and Pastor. A total of 12 persons.

The Leadership Team will select a chairperson among themselves. Members of the Leadership Team will serve for a 3 year period like those committee members did. There will be 3 who serve one year and then roll off. 3 others will serve for 2 years and roll off. 3 others will serve for 3 years and then roll off. New members will be selected by either the Leadership members or an appointed Nominations Committee. Those selected do not have to be from these three committees presently. But can come from or represent one of these three committees.

The Leadership Team will be the group that oversees any new or needed committees. This Team will replace the Administrative Council and Committees, unless a group wants to form a committee.

For example, a group wants to develop a "Missions Committee". This group will form and choose a chairperson and all of their ideas will be reported by their chosen chairperson and report to the Leadership Team their proposals. The purpose of Leadership Team would then decide if the committee is staying true to the Christian standards and Book of Discipline.

Each church's Leadership Team develops as it best fits the church. Another example is the Leadership Team becomes the SPRC. Staff, Parish, Relations Committee or a separate SPRC is developed under the 'umbrella' of the Leadership Team.

The Administrative Council and Committees will continue in existence through the end of January 31, 2021. This will give us time to select candidates, vote them in as the 'Leadership Team' members through the present Administrative Council. To also give this Team time to start developing as a team.

There are probably many questions you may have about this. Those questions may help us to see more clearly what/how we need to adjust. So, please, as the body of Christ, brother and sisters of Jesus Christ, members of Randall's Chapel UMC, be praying for this new change and Leadership for our church. We are trying to adjust to what is best for our church. Thank you for all your prayers and support.
